

## MARDİN REYHAN TOUR

### MARDİN'S HISTORY & OUR ACTIVITIES

Mardin region connecting Anatolia to Mesopotamia; Has been living in historical development, with dozens of civilizations and dozens of different religions, ethnic groups and sects, and living in hundreds of thousands of years and in solidarity, by blending these diverse cultures in a loving and tolerant pot and protecting their differences. Muslim, Syriac, Yakubi, Keldani, Nesturi, Yezidi, Jewish, Kurdish, Arab, Chechen, Armenian etc. Such as different religions and different ethnic origins; With "natural social tolerance" and reconciliation, in "peace and brotherhood". Because of these qualities, Mardin "created a peaceful synthesis of different cultural structures". Zarathustra's, Mani's; Mardin, the city of peace, fraternity and tolerance, where the cultural and philosophical intensity is stamped throughout history.

As Reyhan Turizm,

Under the Mardin travel guide brand, especially from Mardin since 2010. Midyat, Şanlıurfa, Diyarbakır, Gaziantep and all south east. We continue our service with the slogan of the most experienced and most affordable agency in the region. For the moment our trips are not fixed date or collective, but are made with special vehicles at least 2 people on the days requested. Our specific programs include alternate rovers and sightseeing packages for 1 or more nights.

Our guides are all made up of local people, all of which are registered with the scandalous and tourist guides associations.

We have 8 vehicles. The oldest is 4 years old, two of them are sedans, two of them are closed van (caddy) and 4 minibus (sprinter, crafter).

Our guests, who are addressed to our guests, are very much in touch with the local people, so we live in all the tissues of Mardin and offer a detailed history adventure. We offer opportunities and surprises that no agency has to offer, and we are realizing it at the lowest prices to introduce our country to more people. After the trip, we receive feedback on our site by voting or e-mail, and we are providing better quality service with these notifications.

We have agreements with the residents of the monasteries and the publicity officers, and we can make excursions even outside the visiting hours.
